BITS 2018 Tasks

CODE

[TASK ID - 0010C003]

CREATE A SMALL GAME USING SCRATCH

DESCRIPTION

- For this task, you have to create a game using scratch. You can use online scratch tool for your work. Finally, you have to send us a link of the game through an email[bits.acicts@gmail.com] using form in main website. Send us the links for your GitHub account (optional). Surf on Google and use BITS-Help page for more help.

STEPS

- Make an account on Slack if you haven't. (optional) [https://slack.com/]
- Design a game.
- Send us link the link of the game.
