BITS 2018 Tasks

EXPLORE

[TASK ID - 0011E004]

CREATE A DOCUMENT USING MS WORD ABOUT FOSS

DESCRIPTION

- For this task, you have to create a document about FOSS. You must use MS Word. Finally, you have to save your project in Google Drive and send us a link of sharing through an email[bits.acicts@gmail.com] using form in main website. Send us the links for your GitHub account (optional). Surf on Google and use BITS-Help page for more help.

STEPS

- Make an account on Slack if you haven't. (optional) [https://slack.com/]
- Create a document about FOSS using MS Word.
- Upload it to Google Drive.
