EXPLORE

[TASK ID - 0009E003]

CREATE A BLOG ABOUT BITS

DESCRIPTION

- For this task, you have to create a blog about BITS. You can use any blog designing web site. Finally, you have to send us a link of blog through an email[bits.acicts@gmail.com] using form in main website. Send us the links for your GitHub account (optional). Surf on Google and use BITS-Help page for more help.

STEPS

- Make an account on Slack if you haven't. (optional) [https://slack.com/]
- Design a blog.
- Send us link of blog.

WORKING WITH US

If you have any questions related to this. You can ask it on our Slack Group, on our portal [portal.acicts.io] or visiting ACICTS in the school time.
