

DESIGN [TASK ID - 0012D005]

PRSENTAITION ABOUT DAILY USING SOFTWARE

DESCRIPTION

 For this task, you have to create a presentation about a daily using software. You should use Microsoft PowerPoint. You can select any daily using software. You can add charts, pictures and sounds as well. Finally, you have to save your project in Google Drive and send us a link of sharing through an email [bits.acicts@gmail.com] using form in main website. Send us the links for your GitHub account (optional). Surf on Google and use BITS-Help page for more help.

STEPS

- Make an account on Slack if you haven't. (optional) [https://slack.com/]
- Design a presentation using MS PowerPoint.
- Upload it to Google Drive.
