

BITS 2018 Tasks

DESIGN

[TASK ID - 0020E006]

CREATE A TASK FOR
BITS

DESCRIPTION

- For this task, you have to make a task for BITS. Create a word document like this and give any topic. Change the description and steps as your task. Finally, you have to save your project in Google Drive and send us a link of sharing through an email[bits.acicts@gmail.com] using form in main website. Send us the links for your GitHub account (optional). Surf on Google and use BITS-Help page for more help.

STEPS

- Make an account on Slack if you haven't. (optional) [<https://slack.com/>]
- Create the document.
- Upload it to Google Drive.

WORKING WITH US

If you have any questions related to this. You can ask it on our Slack Group, on our portal [portal.acicts.io] or visiting ACICTS in the school time.

Join our Slack group using the below link or by scanning the QR code below.
