

BITS 2018 Tasks

DESCRIPTION

EXPLORE

[TASK ID - 0022E008]

GITHUB COURSE 02

- This is the second task of GitHub course. **If you haven't completed the 'GITHUB COURSE 01' task, you must complete it before this.** From this task, you have to install Git in your PC. Finally, send us some screenshots through an email to bits.acicts@gmail.com Surf on Google and use BITS-Help page for more help.

STEPS

- Make an account on Slack if you haven't. (optional) [<https://slack.com/>]
- Install Git. [How? - <https://bit.ly/2IjT6AL>]
- Send us some screenshots as for the above description.
