

BITS 2018 Tasks

DESCRIPTION

DESIGN

[TASK ID - 0028D010]

MAKE A 3D MODEL
OF A NIGHT LAMP

A task from a student

- From this task you have to make a 3D model of a night lamp. Finally, upload it to Google Drive and send us the link of sharing through an email to bits.acicts@gmail.com Surf on Google and use BITS-Help page for more help.

STEPS

- Make an account on Slack if you haven't. (optional) [<https://slack.com/>]
- Design the night lamp.
- Upload and send us the link as above description.
