

# BITS 2018 Tasks

## DESCRIPTION

### DESIGN

[TASK ID - 0030D012]

DESIGN A LABEL

- From this task you have to design a label for new food product. Finally, upload it to Google Drive and send us the link of sharing through an email to [bits.acicts@gmail.com](mailto:bits.acicts@gmail.com) Surf on Google and use BITS-Help page for more help.

## STEPS

- Make an account on Slack if you haven't. (optional) [<https://slack.com/>]
- Design the label as description.
- Upload and send us the link.

## WORKING WITH US
